Inntec Retains Waldrep as Lead ASP.Net Developer

Expert developer hired to continue the increasing growth of Inntec

February 2008

Tampa, FL: Innovative Technologies Group, Inc., a leading software development company, has recently announced it has retained Mr. Owen Waldrep as the new Lead ASP.Net Developer.

Mr. Waldrep has over 10 years of IT experience beginning as a Systems Consultant and moving up to Information Technology Analyst and Senior Systems Analyst. He is certified as a Microsoft Certified Professional and Microsoft Certified Application Developer in Visual Basic. Mr. Waldrep also holds a Bachelors of Arts & Mathematics with a minor in Computer Science.

With a background including high school teacher, athletics coach and athletics program director, Mr. Waldrep has an in depth understanding of group dynamics and the importance of working as a team.

Brian MacKay, Vice President of Operations said, "Mr. Waldrep will be a great asset to our Development Team and I am looking forward to seeing his creative abilities be focused on GrowerLive."

ABOUT INNOVATIVE TECHNOLOGIES: Based just outside Tampa, Fl, Innovative Technologies primarily develops Business to Business applications. They have long term relationships with a wide variety of industries including over 12 years in the grower and live goods industry. For more information visit inntec.com or growerlive.com.
